

All the amenities of a five star resort are waiting for you at Post Harbour Place.

LIVE THE FLORIDA LIFESTYLE EVERYTHING YOU NEED, ALL IN ONE PLACE

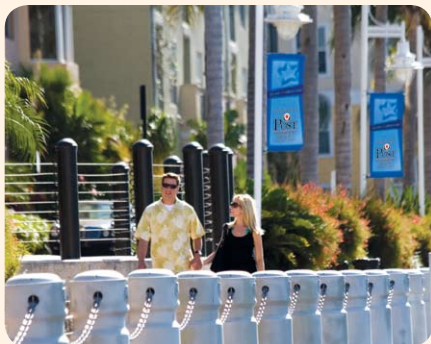

Floridians are known for their laid back lifestyle—kicking back in a lounge chair with a Corona, fishing for grouper on a Saturday afternoon, basking in the sun on a raft in the pool.

But who actually lives up to this fabulous lifestyle? Well, the residents at Post Harbour Place are certainly doing a good job of it.

With four resort-style pools, boat slips and lifts, beautiful courtyards complete with outdoor fireplaces and tropical landscaping, along with world-class waterfront restaurants, Post Harbour Place makes it easy to make the most of Florida's warm, sunny climate.

Conveniently located in the heart of South Tampa, on prestigious Harbour Island, Post Harbour Place offers floor plans to fit any lifestyle—from studios to dual-level three-bedrooms, with detailed finishes such as vintage hardwood, exposed brick walls and polished concrete floors. The urban apartments also come with some of Tampa's best scenery—the water.

But, if for some reason, you get tired of the abundance of community amenities, on-site retail and all the relaxing, it's just a short stroll (or trolley ride) to the St. Pete Times Forum, Channelside Bay Plaza, historic Ybor city and downtown Tampa.

Residents stroll over to on-site retail and waterfront restaurants.
